“ Addie was a very special lady who allowed me to share her last few years with her with laughter, tears, hugs & kisses. She would always find that silver lining on the worst day & show us how to smile & move on. She became a very special part of my life & I will always be thankful I had that chance to share a small part of her life. My prayers go out to the family she loved so much & spoke of daily. Remember her smile, & her love of life, these will always be with you. Love, Mary Pat
