I worked with Nilda for several years at Catskill School. She was a friend. I visited her often at the nursing home. My thoughts and prayers are with the family.

I am so sorry for your loss Maria, Paul, Peter and John. I remember like it was yesterday when your family started building the house on Cauterskill. Your mom was always the friendliest person! Always smiling always happy and loved her gardening. I would occasionally bump into her in price chopper and think she probably doesn't remember me so I won't say hi. Then she would walk up with her huge wonderful smile and say "Suzie, how are you, how are the boys!" She thought so much of others. Always remember the good times and feel comfort that she is with your dad and watching over all of you!
