

Allen J. Kligerman

December 5, 1963 - October 6, 2018

Allen J. Kligerman, age 54 years, of Cairo, N.Y. passed away on October 6, 2018, after fighting a brief battle with cancer.

Allen was born in the Bronx, N.Y. on December 5, 1963, to Kenneth and Marie Kligerman of Cairo, N.Y.

He is survived by his wife Jodie Kligerman, his parents, his children Kenneth Kligerman, Mercedes Kligerman, Samantha Beatty, and Angelena Beatty, and two grandchildren Kenneth Donald Kligerman and Pharris Fogler.

Allen is a graduate of Cairo Durham High School, class of 1981 and started repairing cars in his father's garage. Upon his father's retirement, Allen took over the family's auto body repair shop.

Allen was passionate about motor vehicles and loved building hot rods. He also enjoyed snowmobiling, motorcycling and boating in the summer. Allen was a huge dog lover and he loved his pit bulls. His greatest love was for his children and grandchildren. Allen was never too busy to help those in need and expect nothing in return.

Allen, and The Kligerman family would like to extend their utmost appreciation to The Hospice at St. Peter's Inn in Albany for their care and compassion.

“ *Allen was a legend in Cairo and on Main Street . He tried to act like a tough guy but he was a softy at heart especially once he married Jody and started a family. It was the best thing that ever happened to him . Thoughts & prayers with Jody , the kids and grand babies. If you were lucky enough to have Allen touch your life it was a blessing because he was a great one of a kind guy . RIP you will never be forgotten !!!!*

“ *I will never forget the day Allen pulled back the cover on the cuda in the old paint room and told me that it was going to be the baddest car in town. He was 14 and I was 8. My dad worked for Kenny at the time and it was a Saturday. He would come pick me up and take me to school in that car. He became a big brother to me and it was great working for him and Kenny when I was in high school. We sure had great times together. My deepest condolences to his family. Rest easy brother I'm sure gonna miss you.*

“ *Allen although our friendship was new, I feel like we bonded as friends so fast. I enjoyed every day with you and Jodie talking, laughing and laughing some more ! The day at the shooting range was fun. We really shot 'em up! I will never forget your laugh and your generous spirit. Not many times in our life does someone enter and make a difference and that was you, Allen. I will never forget you. All our love Jim and Karen*

You stood up against the odds, confronted the bullies, and made a sad little girl smile again.

“ *36 years ago I moved to Cairo. I was 17 and he was 18. He was my first friend here. He always told me he invented me. Lol. He introduced me to a great group of friends and his wonderful family. I am overwhelmed by the memories. Like has been said, he was always there for me, even if it was a year since I saw him. My heart goes out to his family.*

“ Kenny, Marie, Jodi & Family,

I am so sorry for your loss. There will never be anyone nicer, and more caring then Allen. We go back decades (a long way). The last time I saw him we talked and laughed about old times and the crazy things he and my husband used to do together, it would just make you smile and shake your head. But in the end, it was nothing but fun to be in his company. He will be missed.

“ Allen will be truly missed by the entire town he was such a huge part of. Jody and Allen would do anything for anyone. I remember being in front of advanced auto we had bought free on for my car and was having a problem with it when Allen and Jody pulled up and typical Allen gets out of his car and comes directly over to give us a hand. Afterwards, I tried to give him money for helping us and again typical Allen refused. I thought I'd out smart him went to the car to give it to Jody and she rolled up the window and wouldn't take it either. That's just the kind, warm hearted people they are. Our little town lost an amazing man. Thank you Allen just for being you. Love you Jody and the whole Kligerman family. RIP my dear friend.

“ *Wow...I am deeply saddened to see this; too many cherished and crazy memories to share all at once but, one night has stood out since seeing his wife not that long ago: Allen myself and Danny Nellie went to the 21 lodge late one night ...he was on a mission, her name was Jodie . He decided to sit us at a table in the dimly lit dining room and we were staying til she agreed on a date with him, by the way Jodie was the new bartender there; well drink after drink and tip after tip the hours were wee into the morning and Danny and I looked at each other like "he's nuts " well last call rolled around he was triumphant and we were stunned.lol Who says good guys don't get the girl. My heart goes out to my friends The Kligerman family and The Ryan family and Jodie to you most of all.*

“ *Allen was a true friend. A wonderful dad. Wonderful mechanic. Loved by many friends and family. I've known Allen many years right now. Looking at this photo reading this obituary. It is truly heartbreaking.allen. Was always so great you could pull up in his garage. He would run right out. To me say. I got ya. He literally stopped whatever he was doing to give a helping hand. And never want anything in return. That smile on his face. I will never forget. Rip. Dear Allen your truly family. A genuine man who will be missed by many who knew you and cared. My deepest condolences and prayers to all the Kligerman. Family. Allen. Will always be in our hearts. Never forgotten.*

“ Allen was THE NICEST person. I could come in on any given day and we could chat about cars, bikes, snowmobiles, quads.. you name it. He took very good care of my family and our vehicles. He's certainly going to be missed. Especially when I drive by and beep beep at him. <3 Sending all my condolences and love to the family.
