“ Dear Dave, Only you can really feel the loss of Tony and wonderful companion for all these years. He's heart was so big and so warm and generous to all that came in contact with him. No one could ever say a harsh word about him if you really knew him as so many of us did. You shared a good life together and I only wish it could have been longer, but God has his plans for all of us. He is resting in peace now and the love that went with him is beyond what anyone can imagine. His life was full and we shall all value the friendship we shard with him. Rest in Peace Tony . We all loved you.
