“ I am so shocked! My condolences to the many family members. He spoke of you often and with love. Too soon to go, too young. I'm sure he and Eugene are making up for lost time now. He was a good person, never spoke ill of anyone. He was quirky and forgetful. He didn't work and thought nothing of calling at 9:30-10:00 at night to chat, he'd get yelled at and do it again... but that was David. We all had some pretty good times growing up, lots of parties, stories and adventures. He will be missed.

“ My earliest memories of Uncle Dave go back to our childhood, as he was just 4 years older than me. Those memories are foggy...but my strongest early memories are from the summer of 1977 when I spent the summer with Grandpa Wallace, Aunt Jacksie, and Uncle Dave on the Chadderdon farm in Acra NY. This picture is from my return to the Catskill during the Chadderdon Reunion in 2017... I'm going to miss you Uncle Dave...
