“ Aunt Mikey, where so I start? How do I say goodbye to someone who was such a huge part of my life... I guess the only words that seem fitting are thank you! Thank you for the memories, thank you for always loving me unconditionally, thank you for always being a ray of sunshine in my life. My childhood was amazing and I have so many memories of you that I'll always hold close to my heart. This isn't goodbye, it's see you later. I love you, now and always <3
