“ I just learned of Lou's passing today 7/5/19, and am saddened by this. Lou was a fellow Catskill Elk and worked many many Bingo games with me, and other events at the lodge. He was a hard worker there and in Walmart too. He was always kind and courteous. He will be sorely missed. Rest in Peace Lou.

“ Louie was one of the sweetest, kindest and most caring individuals that I have met. He loved his family and friends more than anything in the world and would do anything for them. I'm going to miss spending time with him and the laughs we shared. Louie I will keep you in my heart always. RIP

“ Growing up my Mother never had an unkind word when it came to my Father.. She always told me he was a hard working man who took care of his family.. They divorced, but we're able to become friends some years ago and that made me happy!! Some kids would wish their parents would get back together, me I would wish that would be friends!! I will miss you Dad!! See you on the other side!!

“ Louie was one of the finest human beings I have had the pleasure of knowing. He never let that terrible car accident when he was a child hold him back. What an inspiration for all of us! Rest In Peace my old friend.....
