“ DONNA and family... so sorry to hear the passing of your dad. We will never forget our memories at the Lodge and the summers there. We loved our home there and the gathering of our own family there. Peace be with you all, Love Theresa (Caliendo) Pace

“ I am the youngest niece of the Cucich Family. You were a very special person to me. I will never forget the good times we had together vacationing in the mountains. One of the best times I can recall is ringing the bell to let people know dinner is ready with my brother and just sitting around the fireplace and having fun with my older cousins. I thank you for all your happy memories you gave me and my family. Especially how you and Zia Marci used to chase my father around the restaurant. Mike will never forget how you helped us out when we were starting our business and how much you taught us. Your patience level was not quite there at times with him but that is ok. Especially when you threw the pot at him because he was not listening to you. What about all the times we would go skiing and every time we would come back we always had an amazing meal that you cooked and the display of desserts Aunt Rose would make was amazing. All the memories you gave me will stay with me forever. Thank you for being you and for being someone I always looked up to. We love you from the bottom of our hearts to the top of our heads. You will always be in my prayers and in my thoughts. I will miss you oh so dearly.

Love you Uncle Mario

“ Dearest Donna and Gary,
I am so deeply saddened for your loss. I have a heavy heart and can not express how much Mario meant to me..He formed me in so many ways into an adult with a respectable work ethic . I will always remember his laughter and unique gift of cooking...My God to this day I have yet to experience clam sauce that even comes close to his..nor Rose's cheesecake..I think of them often and am so sorry ..love,

“ Uncle Mario, although I am one of your younger nephews, I have nothing but great memories growing up and spending my summers at the Pine Lodge. Always remember you letting me ring the bell for dinner. The highlight of my day. Will always remember the fun times we had come up to go skiing with JoAnn and the kids. Will hold on to my Apple shares like you told me and hopefully I have as many as you did!! You will be sorely missed Uncle Mario and until we meet again, rest in peace. your nephew, Stephen

“ Mario....or" Boss 'as I used to call you, you will be sorely missed by all who crossed your path. You always had a story to tell and what an exciting life you lead. Saturday night were always the best at the restaurant for Freddie and me after a long week at the Tax Office. Times with you and Rose were always very special. Rose and I worked at Cedar Terrace Resort for many years and got along so well in the kitchen, Many good and happy memories. RIP my dear friendyou will be missed by so many. Love Carol Spohler

“ Mario was so good to my parents and all of us kids. He was rough but also very loving. Taught at least 4 of us kids what work ethic was. Helped out our family when times got tough, and was also there when times were good. My brother was sold Roses brown hornet and I was the one who got the NewYorker. His price was always 100\$. We knew he just gave them to us, but you had to work and pay. Sorry Donna for your loss. He was truly a good man. Bill Dorpfeld and all of us.
