

## Patricia A. McGinley

July 1, 1936 - October 21, 2019

Patricia Anne Farrell McGinley, a loving mother, grandmother and great grandmother, sister and aunt, passed away on October 21, 2019 in Coxsackie, New York surrounded by her family. She was eighty-three years old.

Born on July 1, 1936, Pat spent the last eighty-three years of her life loving her family, cooking amazing meals, being “the life of every party” she attended and bringing tears to people’s eyes with her infectious laugh.

A dedicated mother of six, Pat dealt with many losses in her life, most notably that of her husband, John McGinley at the young age of 46, and her son John H. McGinley. Through these tragedies, and countless other milestones, Pat remained a beacon of strength. As the matriarch of her family, she never failed to ensure that her family was fed, laughing and having fun. In fact, most of her family’s favorite memories involve her sipping on a Coke or Tito’s, with a dish towel slung over her shoulder as she effortlessly whipped up some of the best home-cooked meals you’ve ever had.

To Pat, nothing was more important than the company and love of her family. She was happiest when everyone was together, enveloped in love, laughs and the melodic voice of Barry White playing in the background.

Pat is survived by her son, Thomas, and daughter-in-law Susan, as well as her daughters Patricia and son-in-law Mark McMurray, Kathleen and son-in-law Andrew Barrett, Elizabeth and son-in-law Paul Datollo, and Mary and son-in-law Brian Baggott. She also leaves behind four siblings, eleven grandchildren, two great-grandchildren and countless nieces, nephews who will forever grieve her absence.

Funeral arrangements are under the direction of The W. C. Brady’s Sons, Inc. Funeral Home, 97 Mansion Street, Coxsackie, New York, 12051.

“ Patricia ‘Big Pat’ and I had a very special bond sharing a July 1st birthday. She was the hardest worker and the most fun and caring person. She always made me feel special. I hope big Pat and big Harry are sharing a drink and a laugh in heaven. Sending love to all of the family.

“ It saddens me to hear that my Aunt Patsy passed away. I have not seen her since 1970 when I married and move to Florida. My happiest memory was running from my house across the open lot to Aunt Patsy's home so she could braid my hair for school. Again I am so sorry to hear this news. Gail Gardner Cross

“ I only just meet her a few weeks ago but could tell she was an honest, straight forward person that was too funny. Jimmy told me so many wonderful stories so I felt like I knew her. Strong and fearless. Practical in her ways. I wish I could have spent more time with. She was definitely my type of people. Honest with no hold back. She's with God and her family now having good times in eaven. May God bless them all eternanly unil we all meet again. RIP Aunt Patty
