“ I didn't get to speak, mommy, at your service. There was so much I wanted to say. From the outside people saw us disagree and butt heads, but if people could really see from my eyes, they would see how much i wished I could be like you. You could fill a room with laughter and love. You never turned anyone away, offering food and kindness to everyone who walked in your home, whether you just met them, or they were family. Your personality was one in a million. To go to a store with you would take hours, as you chatted up random people, which at the time...annoying. now..thoroughly missed. How you just put your life on hold to take my blaise, and raise him. In my eyes mommy, you did no wrong. I think, as I got older, we are somewhat alike. I talk to random people in the store, which annoys lyv. Lol. Im always cooking for people when they stop by. And I love hosting holidays at my house. I feel empty inside without you and daddy here, mom. My heart hurts. But being selfish and wanting you here isn't fair. Your are with my daddy and my logan. Please, mom, hold my baby and give him so much love. Please, dance with daddy, and always watch over us. You may not be here with me mommy, but I can only hope that you will live through me. I can only hope to be half the woman you were. I love you more then you ever knew. Thank you for everything mommy. Rest easy.
