“ Robert was more the a brother in-law to me, he was a very best of friend!
He loved being with family. And I loved his company!
I felt a special connection to Robert, and I am going to miss him dearly.
He had a great sense of humor, which you have to have being married to Marge.
And was always so easy to talk to, and so easy going.
Even when he was kicking back and relaxing, it seemed like his mind was always going.
He really appreciated and had a love for good food & drink. Something we had in common, specially spicy foods!
The time I spent with him, I will always cherish in memory, treasures I will have forever.

“ Marge, RJ, Casey, and family,

I am sorry for your loss. Bobby was not only a great co-worker but a fantastic friend. He blessed my life greatly, he taught me so much at work that you would think he was the supervisor, His guidance was what helped me to be a good supervisor. He always was there to help and his love for family was enormous. He loved you and the kids with a passion that a lot of men could never achieve. I know he is at peace now with Mike. I am praying for all of you, praying for God's comfort and love during this time of grieving. Cherish all the great memories that you all have had with Bobby and allow them to fill the void that his passing has left. God has a new angel in heaven.

In God's Love,
