

Abby D. Kotze

November 10, 1964 - January 24, 2026

Abby Kotze, of South Cairo, New York, passed away unexpectedly on January 24, 2026 at the age of 61. She leaves behind her two loving children Joshua and Rebekah Kotze, two grandchildren that were her pride and joy- Logan and Amelia, in addition to seven brothers and sisters, her mom Barbara Nutting Marriott, numerous nieces, nephews, and dear friends. She is predeceased by her father Daniel Marriott, and two brothers David and Denis. Abby never met a stranger. If you knew her you loved her. She was kind, gentle, and always willing to listen. She was a loyal friend who loved spending time with her grandchildren. She loved spending time in her garden or watching the birds that she always made sure were taken care of. She was a force to be reckoned with in a card game. Abby had an amazing eye for antiques and was a gifted photographer.

She has left those who loved her with many wonderful memories, until we meet again.

Abby's celebration of life will be private but her family does appreciate all of the love and support that you have sent their way.

Abby loved creation and the beauty of nature. In lieu of flowers the family is asking that the next time you take a walk and see the beauty of the mountains or a warm sunset think of her. Or this spring, plant a wonderful plant or tree in her memory. This way we will all be able to remember the beauty of our dear Abby and honor her memory. Thank you all for your love and support.

“ *Not really sure the words exist, so I will just say that I love you, and thank you for being a mother to me, even if only for a short time. The world will definitely be less bright without you in it.*
