“ *Bambo! I guess 91 (almost92!) years is all God would let the world have with you. Your sage views of the world and all it's happenings are now committed to memory. Some of my happiest memories are of you! Your advice was always given with affection and wisdom. I know you're hanging out with Pop, Uncle Ziggy, Bubu, and Aunt Margaret. I'm sure your son Tony is also keeping your time occupied. Please give hugs to Mom and everyone else. Rest easy, Strijek. We loved you more than anyone ever deserved!*

He was just a phone call away when I'd lost my mom right after Thanksgiving back in 2016. We are truly blessed to have known him. RIP & we will deeply missed u.*
