“ Al, today was not goodbye... I will see you again. You are and always will be one of the most loving, caring and thoughtful men I have ever known. You are truly one of a kind.  
I was lucky enough to have had you in my life for many years... such great memories of trips to the cape, Athens street festivals days, parades. And you were always around as the years went on. My grandfather Frank Erceg cared for you so . My grandmother Ella loves you too. You were always around to make sure our family was ok and you seemed to always know what way you would be a blessing. The blessing weren't in the deeds itself, the blessing was in you ! You and your smile and happiness will always be in my heart. I wish I had seen you since then but I will forever cherish in my heart the last day I saw you was at my wedding... you were there to celebrate w us! I was so happy you were there.  
Thank you for being you, being our friend and you and your kindness will never be forgotten.  
Love you Al,  
Jenny
