“ *Dear Mike,Jr., Beth, Kathleen, Susan, Zeke, and families,*

Both Bill Sr. and I are so sad our dear friend Susanne passed away. We will always be blessed to have had such a great friendship w/her for so many years. We spent a lot of time together making great memories with her and her dear husband Michael Sr. I learned so much from her, she was always such a lady, and had a great smile. There are so many times that we spent together, especially when I stopped by for our afternoon visits at her home. Bill Sr. too will miss seeing her when he went over to take care of her lawn. I used to call her the "PRINCESS", the name sure fit but most of all she was our "B U U D." RIP Ms. Susanne. . .

You will be missed but always remembered. You are now w/your beloved Michael.

Love Ya, Bill Sr. & Skeet

“ *Many of my younger years were spent adoring Dr. & Mrs. Marshall. I was the babysitter who watched the 5 little ones as they went out to spend some lovely evenings together. Oh so many memories and pictures in my mind! I will keep you all in my thoughts and prayers and I hope that at this time you can all find peace, love and happiness remembering the good days at the Marshall house in Harris Acres. Life is short. Memories are so important. Both of your parents were wonderful people.*

“ We are Jim and Heather Little and have lived next door to the Briggs home on 26th Avenue in Altoona since 1976. We met Susanne and all of her siblings at one time or another through the years, as well as many grandchildren. In fact, just in the last couple of years, Susanne and one of her grandchildren stopped as they were driving by to say hello.

We just loved Mr. and Mrs. Briggs. We loved our visits at their house, playing checkers, and BoBo. They would sit on the porch and watch our children play in the yard as they were growing. They were lovely people and the best neighbors. So it was no surprise as we met each of their children to find they were each equally as lovely – a wonderful family, so blessed and such a blessing. The top of our list of best memories.

We are saddened to hear of Susanne’s passing and extend our sympathy to her family and to the Briggs family as well. We will keep you all in our prayers.
