“ *Amanda use to be my neighbor on Maple Ave. in Acra, i had dropped my cell phone on my way to work and they found it and stopped me when i was walking back home. That was our first meeting, ever since when ever I walked by they were always out there greeting me . Winter was hard on me i only had a shovel and my daughter and i would take turns shoveling, Amanda saw us one day and first thing you know shes got her show blower and she was going at it like it was nothing God sent me an angel. I thanked God for her and how sweet she was. I pray for little James and for Richard that they will have some comfort in knowing that Amanda was loved and truly will be missed. She had a heart of Gold and a smile to match. Denise McQuillen (your neighbor even tho you moved you'll always be my neighbor). God Bless*

“ I am truly sorry for your loss. I will always remember Amanda as one of the kindest, sweetest, most thankful and polite Mom's at CD Elementary. I have known her through school for many years. She had a beautiful smile. You are in my thoughts and prayers at this difficult time.

“ I remember when I I came to visit all of you when Amanda was just about 5 years old. She loved tinkering on the vehicles with her dad. She followed him everywhere fixing whatever needed fixing. She always had a smile on her face, a big heart, and great big hugs! She would give the shirt off her back if need be to anyone who needs it! Amanda loved little Bow more than life itself! When I saw her again as an adult at the family reunions, I knew she was a very loving mom. She was very protective of her lil man and watched over him like a hawk!
Amanda lived a very short tough life! She was taken away too soon and will be missed terribly! Our hearts are broken for our whole family in upper New York!! Wepray that God gives them comfort in the knowledge that Amanda is no longer suffering or in pain. May she rest in peace in Heaven! Until we meet again Amanda.

We love you, Aunt Rose and Uncle Bob Lanciki

“ I'm so very sorry for your loss. Amanda sure will be missed many people. She had a heart of gold she always made me laugh when I was having a bad day. I miss seeing her pull in my driveway and say to me "HEY WHATS UP? GOT THE COFFEE ON?" I miss having our late night talks on the phone or she would always send me a text just to check in to make sure everyone was alright. I love you Amanda Murray you are now pain free may you rest in peace God is right there with you and he is telling you now Amanda you have no more worries and no more pain. Time for you to rest my darling Amanda . It's never good bye it's see you later. Till we meet again my close and dear friend. Love you always. Love, Pam and Curtis Bowen .
