“ Anne was and still is my bestest friend. She used to laugh at the word bestest but what it really meant was she was better than the best. I will always be with you and you will always be with me. Till Then!

“ Dear Lisa,
Uncle Billy and I are so saddened about Mom's passing. But we know she is now a free spirit. There are so many memories of so many good times with her and Dad that we will always cherish. Know that we will always be here for you.
Love you Lee.
