I added a memory which is not shown. The memory was my treasured time that I stayed with Audrey and all the visit to share her love for leaves birds and her sweet animals. Audrey lived with a heart full of love. She will always be in my heart. May she have peace and be with her family in our heavenly home. God bless

My dear sister Audrey who I will miss always Audrey and Gilles were kind to me and allowed me to live with them for a while in Brooklyn. We shared lots of good memories and we talked every week to share events in our lives . Her love for her family and Gilles was very special. She loved Christmas so much and feeding her birds every day and of course Elvis. Audrey left a deep mark on my life and memories. God's peace and love she will know. My sincere sympathy to my neice and all her family.
