“ You will be very much missed by me my Aunt Audrey. As a child, you showed me that family needed to stay together, protect one another and love one another. You didn't need to speak it to us, you didn't need to remind us of it because you demonstrated this everyday. You faced so much adversity in your life but remained strong. I know you know how much you meant to me and my life. We spoke many times about it. You will FOREVER hold a special place in my heart. I am a better person because of your love and willingness to help your family. Until we meet again, I will cherish our "tea times" our fun times together and I will make sure your legacy for family remains strong.

My love forever,
Michelle

“ I can not think of a more kind, loving soul. Audrey taught me so
much and put up with even more! I will always remember her smile
and laugh (weither it was with me or at me). What a strong and
loving woman the world has lost. Love to all of the family.
