Barbara Ann Malachowski

January 20, 1954 – March 20, 2022

Barbara Ann Malachowski, age 68 years, passed away on Sunday, March 20, 2022, at 2:10 P.M. My Momma left this world and crossed over to the next.

Survivors include her loving daughter Nicole and as a Mom, Barbara was always Her rock, the planner and the caregiver. She wore many robes in her life, but her proudest was that of mother and grandmother. Her granddaughter Kae, or “Bug” as my mother called her, was the light of her life...always the caregiver.

She was employed as a bartender and waitress in the early part of her life. Touching many souls along the way. Eventually she started driving school bus for Bethlehem Central School District. She loved her job there because she loved the kids she met along the way ...always the caregiver.

She spent the last years as a foster fur momma for Animal Kind in Hudson, N.Y. She volunteered to do fundraisers, fairs and events any chance that she got. She loved being able to help the kitties and give them a voice. .. always the caregiver.

Heaven gained the most selfless soul and her loss will be felt until we meet again, Until then she has been reunited with her mother, Mary, Louise Shader “Molly”, many friends and her fur babies that crossed before her.

“ I was best friends with Barb in high school. I still have notes we wrote to each other.. we caught up after I found her on Facebook years ago. . We went to a John Edward Event together, and we met up quite a few times to eat at Dennys. I just found out today that Barb passed away. She was such a giving person. I will miss her. I am so sorry Nicole for your loss.

“ Sending you all of our love and every ounce of our strength as you grieve the loss of your beautiful mother and grandmother. Your Maryland family loves you beyond words.

We are here for you every step of the way. Barbara raised two beautiful women (and caregivers just like herself) that we are lucky enough to call family ☐

Keeping your girls in my thoughts and prayers ❤️ Love you to the moon and back. I wish that I could hug both you tomorrow and hold your hands. My hearts aches for you girls. Barb is looking down so look for the signs. She will be there to help guide you as she always was 🙏 she would have stayed if she could have. I am sure that she is in charge of the animals in heaven.
