

Beverly A. Frank

November 2, 1939 - May 5, 2026

Beverly A. Frank, 86 passed away peacefully in Earlton, NY. Surrounded by her friends that were more like family because they were her caregivers and have been by her side since the passing of her husband Michael in 2009.

She was born in Staten Island to Herman and Catherine Lenzian. She had a career in the banking industry and fondly spoke of her days working in Chase Manhattan Bank. She was a woman of strong faith and loved feeding God's creatures. She loved spending time with her family and friends and shared many stories of those great times and enjoyed a beer or two. A loving wife, sister, aunt, friend and neighbor.

Beverly is survived by nieces Janice (Aurel), Judy (Ambrose) + Debbie (Tony) nephews - Stanley (Laurie) and John (Claire) - and her extended families her, buddy and caregiver Andrew & Amelia Scarlata and family and close neighbors Szandyba and Radler families who she appreciated for checking in on her. She was predeceased by her parents, husband Micheal and siblings- Ruth, Gladys, James, William and their spouses as well as her nephew Thomas Ford, and Randolph.

She will be missed and remembered for her caring nature as she "adopted" cats she took in and sense of humor and love for the game shows. The Scarlata Family would like to especially thank Dr. Emily Warburton, CMH

team, and Columbia-Greene county Community Hospice for their special care.

She would often start her conversation with “Hi nice to see you, nice to see you again, how are you doing today”. When you asked how she was- she would say “I’m doing all right” - not usually with a complaint. She would usually end her conversations with “you take care, thanks again for helping me, be careful, you have a good day” and those close to her “love you dearly with throwing a kiss”.

Beverly was that kind of person that like just the simple things in life and would make you feel welcome the minute you walked in the house.

Relatives and friends are invited to visit with the family on Friday May 15 from 10:00 am - 12:00 noon at the W.C. Brady Funeral Home, 97 Mansion Street, Coxsackie, NY. It was a joy for me and mom to take care of you for all these years. You were like another grandma to me, every time I came over you would always have cookies for me and before I left you would give me a hug. Whenever there was a bad news you found a way to brighten it up with one of your sayings. But now you are at peace and are no longer suffering I am glade you are "doing ok". We will always have our memories and strong connection. Love, Andrew and family

We will miss you Aunt Bev. You and I were basically raised together on Staten when we were young. I will remember all chats about all the deer families you fed and cared for when them came to your fence and all the cat adventures. You never complained about your ailments- saying "I'm doing great and my doctor said I'm in good shape ". You loved living upstate. Thank you to the Scariata family for caring for you all these years. Special thanks to Amelia and Andrew. Love , Janice and Aurelio
