“ *Brett was like a grandson to me.. I saw him on holidays; shared meals with him, knitted him a scarf. Two words come to mind when I think of Brett: Loving kindness and gentleness. He is unforgettable and will be greatly missed. He brought great joy to my grand daughter, Jewels and her brother Crew, in fact, to all of our family. He renamed my youngest daughter. Prayers and condolences to all his family and friends. We are so very sorry for your loss. MEME*

Brett, You left this world too soon. Who knows what you could have accomplished, how you could have added to what's still good in our world. You will be missed by so many people. R.I.P.

“ *I only met Brett at graduation. I was dropping my daughter Meghan off in front of the school. We saw Brett and another friend Brianna and they asked me to take a picture of them together. I was impressed with your crown on your cap and your bubbly loving personality. It's so sad you are no longer here. Rest in peace young beautiful soul.*
