“ We were so sad to hear of Brian’s passing. Our prayers are with Brian’s brother Jeff and Peg and her family and hope your memories will carry you through this difficult time.

I have fond memories of my cousin Brian through our years growing up.

We enjoyed many fun times in Cape Cod riding down the beach in the Blazer, building sandcastles and trips to PTown to go to the candy store.

Brian was a very chill laid back and fun guy to be around! We always had a lot of good times like camping at Schroon Lake, Mother’s Day at the 1,000 acre dude ranch with all our cousins as well as skiing at Jiminy Peak.

Another memory I have was us attending a rock concert at Lebanon Valley Speedway to hear The J Geils band and Blue Oyster Cult and afterwards everyone crashing back at the house in Delmar.

Rest in Peace Brian!

Your memories will forever touch our heart!

Always loved but never forgotten! We love you!

“ We were saddened to hear of Brian's passing and he will always be in our hearts and memories. Our thoughts and prayers are with his brother Jeff and Peg & her family at this difficult time. We're praying that your memories will bring you peace.

My cousin Brian was just the coolest, most easy going, fun loving person to be around. I have such fond memories of all the fun times we spent together growing up - late night games while our parents played cards, flying kites, clam digging & crabbing off the docks in Cape Cod, family gatherings at Christmas after hours of searching for the perfect Xmas tree, camping in the Adirondacks, and hanging out at Aunt Hazel's house. Brian knew how to enjoy life as that was just his spirit!

My mom, Brian's Aunt Jackie, will never forget him coming to visit her out of the blue after he had moved away for many years. Brian always had a kind heart. We will all miss him.

Rest in Peace Brian and Love you!

Love,

Kim Fullmer & Aunt Jackie Pine
