“ Hey kid.. man I can't believe this.. I remember when you were just a big eye happy baby. Your mom used to sit on main st. With you in a stroller. You always had a smile for me. I watched you grow into a proud father and a respectful man. You were always protective of those you loved. I just talked to you about friends list a few days ago. We talked about caleb and how much we both missed him. I cried and you told me it would be ok that he knew.. I'm gonna miss you kid.. know that we all love you...
