“ *Cathy I miss you so much that I physically hurt. Our Mom (Lillian McElrath Nash), would miss you too, if I thought I should tell her. I don't think she would understand if I told her you had passed, and so I will not. I will let her have the joy of thinking about her twin girls and when she talks about Cathy, and she will, I will speak about you as though you were right there as I wish you still were.*

“ Cathy enjoyed her computer and was able to show off her artistic side. I have saved all the Christmas cards and the other gifts she created for us through the years. My favorite item was a Christmas card she made ten or twelve years ago with Gina and Bryan, Kate and Steve, Colleen and Chris and George and I ice-skating on a pond. Cathy took our faces from photographs but gave us cartoon bodies. It was the cutest and every year when I unpack and display it I have to chuckle. Rest in peace Cathy and know you will be missed.

“ *Cathy and I were identical twin sisters and I feel like my "better half" has left me. I'm going to miss her more than mere words can describe. We were separated by a little over one thousand miles, but we tried to keep in touch by telephone. Over the last few years we've been touched by ill health on behalf of our husbands and ourselves and that prevented us from traveling.*
