“ How well I remember Charlene, along with the Irene, Donna and the rest of the gang at the Beaver Lodge, from when I was a waitress there--one of the best & most fun jobs I've ever had in my life! I am sorry to hear of Charlene's death, but glad her family was with her when it happened. I will not be able to be at the Memorial Service this Saturday, regrettably--I turned 80 earlier this month & have had some severe medical challenges which prevent me from doing very much away from home, except for doctor visits. I am getting stronger day by day though & hope I will see your family sometime in the future. Much love to you all, Pan Ruzzi
