“ share a memory..oh soo many ..you see, Corinne and Danny were friends w my parents , so we spent many hours as children playing w the girls..i, especially was buddied up w Linda as we were similar in age and hobby..as i grew up and started doing hair..i would go to Corinnes house to do her hair..since she was a caregiver it was hard for her to get out to the salon, so we spent many visits while i was there..sharing a cup of tea always, while Dan would be watching tv in the living room or come out and visit with us always and to check to see how my parents were doing..i will so miss her and i treasure all the great times we had...she always made me laugh and smile and i shared her love for the kitties as well...fly high w the Angels Corinne, you were one of them here on earth..and i thank you for your kindness and heart.
