“ *Debbie was one of the kindness women I have ever had the pleasure to know. We used to have so much fun at little league games and class trips. She always had me laughing. She was such a generous person and would do anything for anybody. She will be very missed by all who knew her. My sincerest sympathies to her husband and family. May she rest in peace.*

“ I remember moving to Cornwallville and meeting Debbie soon after. She was one of my first friends there, and I have had the pleasure of keeping that friendship. She was a loving, caring, compassionate lady with a great sense of humor. Her commitment to Don and her family was an inspiration to all. I will miss her but will always have a smile on my face when I think of her. And, until we all meet again, may she rest in peace.
