“ Jackie, Jason, Jade,
So sorry to hear of your mom passing. She was one of the funniest people I know. There were lots of laughs when I worked for her in the guidance office when I was in school. I remember how resistant she was to using an electric typewriter (yes, I'm that old). She loved her manual typewriter and she was fast on it. My thoughts are with you all.

“ Jackie, Jason, and Jade,
Where does one start to try and explain how wonderful your mother was?! I loved going into guidance as both a student and later as a teacher. She was caring, funny, and always brought a smile to people's faces. She leaves a lot of great memories.
