“ Years ago, Donna had bought me a Rose plant. To make a long story short, I killed it. Diana had said " Don't tell my Mom" LOL And after all these years she never knew, Of course she knows now. Real sad I didn't get to see her before she passed.

“ Love the look on Donna's face when I gave her hamburger with bacon & onion rings with lots of ketchup & how happy she got when I capture Lola & she rescue her. I miss you you Donna and give thanks to God for taking you in his arms. You will be made again beautiful & whole, where there is no more sorrow or pain. My condolences to the family <3
