“ So, Barb, I look at Dot's picture above, and smile like crazy. Why ? Having spent so much time in your house while we were growing up. I have so many funny Dot stories. Also, remember I spent most of my Saturday afternoons(while you were doing chores) schmoozing with Dot , using my sparkling wit and charm to get you ungrounded,since you were always grounded. LOL. Dot and I had some pretty interesting conversations. I have a perfect batting record for getting Dot to unground you. She used to say, of course Barb can go hang out with you. She said she wanted some of me to rub off on you,as she thought I was such a great influence . LMAO. Little did she know, that whatever you got grounded for, was usually something that was my idea in the first place. i just never got caught, but you always did. She will be missed, but she will live on in all the memories we have of her.
