“ I, as well as my family will surely miss you. You now are with the love of your life. Which I know you were waiting for. Thank you for your kind heart with welcoming my Grandson Brian in for a chat and of course always having goodies for him. Both you and Babe are amazing, and have left so many of us with the best memories. Thank you for that. It was an honor to have had the chance to know the both of you. I wont say goodbye because I know that we will meet up again. So for now untill than enjoy your eternal life with Babe and the rest of your family and friends that you have missed. Later❤️
