“ Always thanking our Lord for the gift He placed in my life, my Aunt Ethel Marie (EM as my husband and I called her). She was and always will be my FAVORITE woman next to my mother. She was my mother's best friend, and I loved the stories they both shared about their "Acra Road" days. Her and I always found something to laugh about, no matter what the circumstances. Dante and I loved how much fun she was. Aunt Ethel was my "mother" after my own mother went to be with Jesus, she was my friend, and she was and always will be an example of the love of Jesus flowing through His children.

“ Aunt Ethel, you have always been one of my favorite people, not because you are my godmother, but because of your pure soul and fun personality. I hope you have a frog-mobile in heaven so you can get around in class as you did for years here. I am very grateful to Sherry for making your golden years filled with love and caring. I'm trying to do my best to match Sherry's dedication by taking care of your sister Doris. Mom is sad that you won't be able to talk on the phone for hours, but she is glad you are now with the Lord.
God bless you,
Jamie

“ Ethel will always be remembered for her kindness, cheerfulness, and great sense of humor. We can be comforted by knowing she is in the presence of the Lord, whom she loves.
