“ Peaches and I were patients together at "The Pines". Visited with her every day and she was always so cheerful and smiling. That is how I will remember her. She was a Red Hat Lady and attended get togethers when ever she could. If anyone remembers her, please remeber her as a happy person and always smiling. RIP Peaches. You were a good friend and will always be remembered with your smiles..

“ *Frances, I'm so sad that you have left us. I know you're gonna be very happy in heaven with John. I met you when I was 17 for the first time, you were so kind and caring little did I know that you were going to become a part of my family. I would come to visit you every May and September with all my family, and so much fun we would have together. You would watch our family grow and even meet our fourth generation my grandson Thompson how he loved to ride on your golf cart. It's not going to be the same with you not there, but we will continue to come up to visit our home away from home. I love you and going to miss you so much Love Rosaleen Greene Always " The Lazy J"*
