“ *To Linda, Frank and Gina,
While we haven't seen each other in ages, that doesn't change the friendship we've had for years. I wish I had wise, or helpful words to share with all of you. All I can do is send my sympathies and love.*

“ Rest peacefully Frankie. No longer will you be in pain. You will be missed so very much! From the day we met we always had that special friendship. We grew up and life took us down different paths, but brought us back in the later years. I enjoyed our conversations which always ended in laughter or feeling better when one of us was down. You will always have a piece of my heart. Watch over your children who you love beyond love. You will never be forgotten. Never good bye until we meet again.
PS Hopefully you will be cooking up your famous sauce and eggplant parm in heaven.
Love the little girl up the road....
Frank, Linda, Gina, Ryan and Catherine, my thoughts and prayers are with you all.
