“ *Brenda, Eli and family...I was so saddened to learn of George's sudden death. When last we spoke, he was coming home from the hospital to recuperate...it is just so sad. George was quite the character. From the few years I knew him from the senior center, we hit it off and connected with past NYC and LI stories...plus he loved my cooking, especially my soup, so he couldn't be all bad! (-;) I was in Florida this past week so missed his services but from what I hear, you gave him quite the send-off...George would have loved it...probably still laughing his *** off!*

Be well. God bless. Debbi T (the soup lady)
