George your Dad, my Uncle Albert, was one of the most amazing people I ever knew. Just wish to God he was with us longer. He absolutely adored you that is for sure. The sun rose and set in you. My Mom and Dad were never the same after losing him. I know he is very proud looking down on you and your beautiful family. I have to give your Mom credit. She did an amazing job of raising you on her own. I am sure that a day doesn't pass that she does not think of your Dad.....you look just like him. He was a great person, one that we will remember forever. I know my Dad and him are together. Knowing the jokester your Dad was he probably greeted him with " What the heck took you so long"
