My thoughts are with you Ellen and all the family! When I ran the Ski Program many years ago i never saw my son Kurt until it eas time to go! He and George 's son took off and skied together all day! “ Where do I begin? Uncle George was a larger than life kind of guy. His smile could light up a room and his laugh was contagious. Uncle George had very strong opinions about life and he wasn’t afraid to say them. He will be missed by so many as he touched so many lives in his 78 years. He will be seeing his two younger sisters, Gail and Sharon in Heaven. Later, Uncle George

“ Deepest condolences to the family. I worked a few years for George building houses and remodeling, he was the epitome of detail and perfection. He used to tell me, “if you’re not going to do it right, and perfect, don’t do it!”. RIP.
