“ I am so saddened to learn my dearest old friend of many yrs and God Father of my daughter Hope has passed a few weeks ago. We always laughed and were so silly together. He was my confidant and me his . After I left the TWY eventually the time we spent together got less and less. He truly was a good soul,so smart and so witty . God Bless you George!! My condolences to Mary and family .

“ I worked with George for many years. Many memories of talking about movies. Horror movies in particular. He introduced me to a whole new kind of horror. He also had alot of knowledge of much older movies, actors/actresses, directors and producers. How they made movies and how they remade movies. Very fascinating. I really enjoyed learning all from George. Had some great conversations. Always liked making him laugh, since he didn't usually do much of that at work. I will miss George. So sad to learn of his passing. My deepest sympathy to his family. ♡♡
