“ Oh Julie I am so so sincerely sorry for the pain and grief you are going through, you and your family. If I had one wish, it would be to be back in time when we were kids. You were older then me but when I was at Aunt Pat's she always took care of me. I remember when she lived next to Aunt Jerry , she took me for a long walk in the garden when I like 6 years old and she told me she loved me and my mom so much. I will never forget that day and I will never forget you Julia being the one the for me after mommy and billy died. I would've lost it. I love you and I'm sorry I didn't know until know but I am here if you need me anytime any day. I love you and I am so sorry for your loss. I will miss all the Gabrielle women. All the aunts and most uncles are gone now but I am here if you need me.
