“ I am so sorry to hear about Gloria passing I shall never forget her as I have many cherished memories. I always considered her my mentor when we worked together at the coxsackie post office all those years ago. Then when I worked at the New Baltimore post office for the 10 years I was there all the times she had me over for lunch and all our walks I really had to move it along to keep up with her. A very special person who will always remain in my heart. Sue Mabee
