“ *My condolences to the whole Schwanse family. I had the pleasure to meet Guy in the 70's. We became best friends and never missed a day of fishing, riding bicycles or just shooting billiards in the basement. I'm so thankful for my best friend you could ever ask for. As we started our life's journey we always stayed in contact and when I would see him it felt like we never missed any time. I will never forget the time you picked me up when I come into New York for fleet week. Great Husband great Father and a one of a kind friend. I will miss you dearly Guy. Rest In Peace my brother. Love Eric Kuever.*
