“ *Visiting Aunt Margie and Uncle Henry and cousins Jerry and Hank during our summer vacations in the Catskills was always lots of fun. Hank was funny and it was nice having an older cousin looking out for us. Their bbq's were epic! See you later Hank. Say hi to your mom and dad and my mom.*

“ I remember the summer of '69 in July. My mom just passed away in May of '69 and i was going thru it. My dad was working not to far from his sister, my Aunt Margie, and said how would you like to stay with Aunt Margie, Uncle Henry and cousin Hank, I said sure. At that time i was 15 and Hank was 27. So i went up there, stayed a few weeks and had a blast. I was always hanging out with Hank, between his motorcycles and Hot Rods i was having a good time. One day Hank came home from work, said his Motor cycle was running funny. He tuned it up, played with it then said if i wanted to go with him to check out how it's running now, Shit Yea, I said. Put a helmet on, jumped on the back and we left. Cruising down the road, taking it easy. Once we got to route 23 he said hold on tight and let it rip!!!! Up and down 23 we went. Mother of God, It was the most exciting thig I did with my pants on. As were slowly pulling into the driveway he says, Don't tell my mom what I did she might get mad, LOL

“ I remember as a kid, 7-12 years old real young years. We always went to Haines falls for vacation. When ever we were leaving towards the end of summer and going back to the city my father always made it a point to pass by his sister and brother in laws house, Hank's mom Margaret & Henry Gardella who we called Aunt Margie and my cousin Hank and Jerry would be there. My uncle Henry would be on the grill and cuz Hank would be stuffing the burgers and passing them out. "It's a long ride, better make sure you eat enough" he would say.

 Danielle Gardella

I chose this back in the day picture of my Uncle Hank our "Louie" because this is when he was a "freebird" - free of pain and free of medical issues. A few years ago he said to me "How long do you want me to live Danielle, I'm 76 years old I had a good life". My reply was always "stop talking like that - that's not something I want to hear". He was always a comedian doing and saying things to rattle my chain - which I will say he definitely got enjoyment being a character!! I know he is at peace and will always be around in spirit. ❤️❤️❤️
