

Mr. James Frank Campbell Jr.

October 11, 1953 - December 3, 2016

James Frank Campbell, Jr. age 64 years, passed away on December 3, 2016, at Mission Hills, Los Angeles County, California. James is the son of Dorothy and James of Acra/Cairo, New York, with living sisters Katherine and Patricia, and brother Michael along with several Aunts and Uncles, cousins, nieces and nephews. James will be greatly missed by his family.

James was born on October 11, 1952 in Gary, Indiana, grew up in Virginia and Europe. He attended Oklahoma University when he came back from Europe and graduated from Indiana University, Bloomington, Indiana.

James loved participating in sports and watching sports – he loved football as he was an avid Oklahoma fan, along with his California teams, and still loved the Chicago Cubs baseball team. He enjoyed sports - swimming, golfing, and Frisbee golf! He loved to tell jokes, and play card games, though his favorite pass-time was cooking and he was always letting us know what foods were good for us! He loved the Christmas Season and visiting with family and friends, watching the football games, while eating the big Turkey Dinner with cranberries, stuffing, and pumpkin pie throughout the Season! His love for California is where he lived over 37 years and was a Sales Representative and manager for several moving firms throughout the years.

His memory will live on forever in our hearts. James would want you to

remember him smiling with his baby blue eyes!

“ April 2024 - I knew Jim at OU beginning our freshman year. I always loved and admired him, but I lost track of him over the years —Jim was not one for hanging closely on to former connections! Haha! I last spoke to him, only by phone, in 1993, but I have always thought fondly of him. He taught me so much in our youth. The world is a lesser place without his spirit!
