“ I am so sorry for all of Jimmy's family. He was a wonderful person. My heart goes out to Aunt Shirley and to Peggy especially. It is so hard to lose someone so close to your heart. I didn't know Peggy very well but I heard that hers and Jimmy's love was great. I feel so very sorry for the whole family. I also can remember when he came to our home as children. My brother George was very close to him. May God give you his peace at this very distressing time.

“Daddy Jim”, as I grew up knowing him, was a wonderful father & husband. I know I was a little girl when you and Peggy met, but I remember when you both married, I was there! (: I watched you “father” all of the girls. Whether they were already married themselves (Brenda), you were still all of their dad! I remember snow mobile riding, and camping. You were a great “grandfather” to all of your grandchildren You were a good man! You were a hard worker. It saddens me to know that you are no longer here, but I have every bit of confidence that you are looking down upon us. Although I grew into adulthood, you always called me by my favorite childhood nickname “Peanie”. You were loved and respected by me always. Rest in peace. With love, (Noreen Irish)
