“ I knew Jane for many years, I worked with her briefly at Frank's Pizza Express, which one funny thing she'd do when the song One Guantanamera came on the radio she would start singing, "I ate a one ton tomato" and we would just laugh. I enjoyed many of the gatherings with her and her husband Kenny over the summers through the years through a mutual friend. I love Jane very much! She was funny,, out going and just an awesome person! She will be missed! I'm just in shock and my heart is broken! I want to give my sincere condolences to Kenny and the boys and the rest of the Fuchs family. I pray that God give you all peace that passes all understanding. You are all in my prayers during this time.
