“ Jason, we had a lot of fun together, a nephew like you was like another child, you put a lot into life and got roughed up a bunch. Growing up is hard, but you tried, trying is all we can do, sometimes we need to take a step back, and you even tried that. I'll always remember the skunk, the laugh, the opportunity to spend time with you. Check on the relatives that beat you there, you're in the group we won't soon forget. I LOVE YOU KID.
