“ Dear Bill and family:  
I am so, so sorry for your loss and deeply saddened by Jeff's passing. Several years ago, I was at Catskill High speaking to school official .... guidance counselor, principal ..someone along those lines, I was told that Jeff was absolutely brilliant. One of the most intelligent people he/she ever met. Jeff impressed me so much with his wit and intelligence and was kind and caring to boot. I will keep you in my thoughts during this difficult time.

“ *Cementon crew for life. If there's a Cementon childhood memory, chances are Jeff was involved. Whether he was throwing sometimes shoes on the roof, we were going down Maple Ave on a skateboard together, he was being chased by Bill France, or whatever, Jeff was always into mischief. Rest easy, man. Rest easy.* 💔
