“ Carola,

Deepest sympathy from my wife and I to you and your family. Jeff was one of my favorite students through high school and beyond. He was an excellent student and a good athlete. Mainly I will recall his kindness and his gentle nature and friendly manner. I called him "moose" and he called me "professor" whenever we met. He was a dedicated family man, supporter of our school, and especially loved the sports program. His positive qualities are reflected in the ability and behavior of his children as Cairo-Durham students. I will miss seeing him and will always remember him as a good man of positive character.

“ To Carola and the entire family, Thoughts and Prayers are with you all. Jeff was a great guy who was such an enjoyable person to be around. My fondest memories as a teenager was him bring me and John up to the Glens Falls Civic Center every March for the NYS High School Championship tournament. I'd be stuffed in the backseat of his blue Plymouth Horizon, all the way up there only to be rescued by the appearance of the McDonalds Golden Arches and shamrock shakes in South Glen's Falls on the way. You were a gentle giant with a kind soul Jeffrey. Rest easy my friend!

“ You are at peace now, but I'll always remember our debates on all subjects, but you were way to smart for me to win, but it was fun. Will miss your trivia questions, you kept me on my toes and sharpened my wits. Goodbyes are not forever. Goodbyes are not the end. They simply mean, I'll miss you, until we meet again.

My heart is broken. You were the best dad to all of us. Thanks for showing us what good music is (minus the 70's!). I'll miss your driving directions, trivia questions, yelling at the tv during Giants games & your medical "expertise". I love you always & will miss you forever.
