“ *Oh man the memories I made with this beautiful soul in the last 3 years of knowing her. Monday night Playdates with the babies (we always joked they would get married one day and we would be in-laws), just laughing and bonding while our kids played. The idea I will never see her again breaks my heart into a million pieces. I will make sure Jack has Sofia in his life forever and I will share all my amazing memories of her with him any chance I get. Still doesn't seem true, my prayers are with your family at this time. I love you Jen!*
